

Company Profile LLC BRB Ramo, Russia

BRB Ramo - business support of foreign companies in Russia.

Key areas: consulting, operational control, legal, advocacy and representation services.

Our ability:

1. **Consulting service.** Work on the instructions of the customer, providing expert advice and suggestions on the best way of business development in Russia. Implementation of infrastructure monitoring and market capacity determination.
2. **The resolution of emergency situations.**
Prompt response and protection of your interests in the Russian court, as well as a set of works on pre-trial and post-trial actions (for example, you got an unscrupulous Partner who violates the terms of the contract and you need measures to influence it, or the Partner took an advance payment and did not fulfill the obligations, you came a defective batch of goods and the Partner does not admit his guilt, etc.).
3. **The solution of the customer's tasks to the full execution with optimal results** (for example, guaranteed placement of products in the retail network, obtaining the best prices for the purchase of goods, receiving direct delivery of products without Agency markups on the volume of goods, etc.).
4. **Operational legal support of a foreign company in Russia:** interaction with all governmental, regulatory and supervisory authorities. Customer support on all legal issues related to its activities in Russia in cooperation with Partners, Customers, Contractors and any other organizations that require legal registration of interaction.
5. **Representative functions**, we are ready to act in the territory of Russia on behalf of your company on any business tasks (for example, support of the opening of the office, representation, selection of necessary personnel, control and sending of deliveries, etc.).
6. **Intermediary service.** Search for a Partner on the Russian side according to the specified criteria, check its reliability, conduct initial negotiations and prepare a deal (distributors, suppliers, wholesalers, retail chains).
